## 2008/2009 VOLUNTEER OPPORTUNITIES

In order to assist you in fulfilling your volunteer hours, we have assembled this list of volunteer committees and brief descriptions of the purpose of each committee. This year your volunteer requirements are a minimum of 10 hours per family (5 hours for single parents). PTSS will be communicating with the committee's Head Coordinator listed below with dates and tasks that need to be completed throughout the school year. Several Committees have already designated a Head Coordinator. If you are a good administrator, please volunteer as the Head Coordinator, this would be a great way to get your hours completed. Others may just want to assist or participate and we have a spot for you! There is a place for all people and all skills. We need to hear from you, now, so we can keep you informed of all volunteer opportunities. **Please tear off your sign up section below and return with your other forms.**
