Ms. Tahmosh-Newell

Objectives:

This class has been created to assist struggling readers to improve their language skills dramatically. My hope is to have all students improve two grades levels in reading by the end of the year. The long-term goal is for the students to read on grade level.

I would like to take this opportunity to welcome you to our Language Arts classroom and share my expectations for the class. Please feel free to contact me at any time if you have any problems, questions, or concerns. I am always happy to meet with students and parents. I have very high expectations of you and will expect you to do your best at all times.

I would like to request that both students and parents sign and return the bottom cut-off portion of this letter indicating that you have read the procedures and agree to cooperate with them.

Book reports will not be accepted after Friday of the due date week and those late reports will lose 10 points a day. Any missed tests or quizzes must be made up within a week and the student must request it.

Homework is always posted on the board, as well as the team news. Students will also be required to complete five hours a quarter in the reading section of www.fcatexplorer.com.
