# Generation Green Team (GGT)

Generation Green Team is an after-school club at Sarasota School of Arts & Sciences. Our mission is to help bring awareness to our community and school to help in creating a healthier environment. We participate in service and volunteer programs focused on renewability, recycling and living green! Our club takes part in a variety of community activities, field trips and school functions to achieve these goals. We grow our own garden, help to clean up the environment, explore organic gardens and nature parks, and more!

We thank you for your support of our school, our community and your dedication and commitment to help us create a healthier, and more sustainable Earth!

## GGT Responsibilities:

- ◆ Responsible for developing and maintaining the SSAS gardens.
- ◆ Responsible for the paper and plastic recycling at SSAS
- ◆ Being flexible about assignments on club day.
- ◆ Being a positive and reliable team member
- ◆ Working with new members and younger students as mentors
- ◆ Giving every GGT member the opportunity to participate and learn.
- ◆ Being able to participate on Sarasota County Coastal clean ups (twice per year)
