

Cambridge A.I.C.E. Program Application

Dear Student and Parents/Guardians,

Thank you very much for your interest in the Cambridge program at Sarasota School of Arts + Sciences. The Cambridge curriculum consists of rigorous pre-university courses that emphasize higher order thinking skills, including writing, problem solving, collaboration, and enquiry skills. We encourage highly motivated students who excel academically to apply to this program; many of the classes in the Cambridge Academy, particularly in the 8th grade, are considered equivalent to High School Honors credit courses and will feature additional complexity and rigor. Teacher recommendation forms should be filled out primarily by Language Arts, Social Studies, and Foreign Language teachers, but 1 of the 2 may be filled out by a Math or Science teacher. Admission to the Cambridge program will be based upon a review of the following criteria:

- 1) Middle school core academic grades and/or grade point average
- 2) Middle school curriculum/courses taken
- 3) Scores on relevant Florida Standards Assessments (FSA) standardized tests
- 4) Attendance and discipline records
- 5) Middle School Teacher Recommendations (2)

Courses included in the 8th Grade Cambridge Academy Curriculum:

Cambridge Lower Secondary English Language Arts (Required)
Civics Advanced (Required)
Pre-AICE Spanish 1 (High School Credit – Required)
Cambridge IGCSE Global Perspectives (High School Credit – Required elective)

If you wish to apply for admission to the Cambridge program, please complete and return the enclosed application no later than March 11, 2020. Applications received after March 11, 2020 will be considered on a rolling admissions basis.

Please return your application packet to:
Sarasota School of Arts + Sciences
c/o Brian D. Sutliff, Cambridge Coordinator
717 Central Avenue
Sarasota, Fl. 34236

If you have any questions, please contact the Cambridge Coordinator.

Sincerely,
Brian D. Sutliff,
Cambridge Coordinator
